

We Widen Your Art Audience
Across Europe

What we do is...

- We search for interesting venues for exhibitions.
- We transport the artwork to the gallery.
- We set up the exhibition.
- We provide space in a print rack for displaying extra artwork without cost.
- We supply invitation cards and posters in .pdf format.
- We advertise in local media.
- We organize the festive opening of the exhibition.
- We publish the names of participating artists and photos of their artwork on our website.
- We report about the exhibition by publishing photos and media articles on our website.
- We welcome the visitors and inform them about the artists and their work.
- We handle the selling of the artwork.
- We make sure that the artwork and any income from the sale comes back to the artists.
